CAPTA ANNOUNCES STAFF EXCELLENCE OF THE YEAR AWARD

Local tourism operator The CaPTA Group has announced the winner of its annual Staff Excellence Of The Year Award for 2008-09.

Cameron Graham, a wildlife keeper from The Rainforest Habitat Wildlife Sanctuary in Port Douglas, was selected as the overall winner out of seven finalists from over 250 employees across the companies.

Cameron was the 2006-07 finalist for the Cairns Wildlife Dome where he started working for The CaPTA Group in February 2006, before relocating to The Rainforest Habitat last year.

He won a "stimulus package" prize of \$2,500 at a special dinner at Blue Sky Brewery Bar & Restaurant on Thursday 7th May.

CaPTA Chairman Charles Woodward said it was more important than ever for employers to offer such staff incentives during the current global financial crisis.

"Recognising, acknowledging and rewarding outstanding service is vital to motivate and inspire staff in these tough times," he said.

"One commonality amongst all finalists was an ability to think of the bigger picture and be a team player, performing beyond their duty."

"Congratulations to all of our finalists, and of course, Cameron - this award really is testament to how hard he works for us, and how much we value and appreciate this."

The CaPTA Group is locally owned and operated by the Woodward family of Cairns, consisting of Rainforestation Nature Park, Tropic Wings Coach Tours, RnR White Water Rafting, Jungle Tours, The Rainforest Habitat Wildlife Sanctuary, Cairns Wildlife Dome and Australian Butterfly Sanctuary.

For more information or to arrange an interview, please contact Ben Woodward on (07) 4041 9401 or 0406 384 886.
