### WILDLIFE HABITAT WINS TWO AWARDS AT PORT DOUGLAS BUSINESS & TOURISM AWARDS

Wildlife Habitat, Australia's leading wildlife experience located in Port Douglas, has been awarded the Best Tourism Attraction Award for 2015 and inducted into the Hall of Fame at the Port Douglas Business & Tourism Awards held on Friday night.

The awards aim to celebrate and showcase the best in service and product delivery in the Port Douglas and Douglas region, and winners are chosen based on customer votes.

Wildlife Habitat Manager Clare Anderson said it was both exciting and humbling for the park to receive two awards on the night.

"It is a huge honour for us to be recognised as the Best Tourism Attraction in Port Douglas for the second year in a row, especially after 26 years in business in the Port Douglas region," she said.

"We are just as excited to receive the award this year as we were last year, as it reinforces that our staff do a terrific job and that our visitors think so too."

Ms Anderson said that the Hall of Fame award was a particularly special achievement for the park.

"We are especially proud of the Hall of Fame recognition, as it acknowledges the work we have done in the past, but also our vision of excellence in the future."

Wildlife Habitat continues to reinforce its commitment to improvement and excellence, with a number of further developments and new tours, presentations and educational signage planned for the coming months.

Wildlife Habitat is located in Port Douglas and is Australia's leading wildlife experience, providing visitors with a chance to observe a huge range of flora and fauna up close.
