MEDIA RELEASE

MONDAY 20TH JULY 2015

WILDLIFE HABITAT WINS TRIPADVISOR TRAVELLERS' CHOICE AWARD

Wildlife Habitat, Australia's leading wildlife experience located in Port Douglas, has been awarded a TripAdvisor Travellers' Choice Award for 2015 and ranked as the #4 Zoo in both Australia and the South Pacific region.

The award is the highest accolade presented by TripAdvisor and recognises the top 1% of TripAdvisor properties and destinations around Australia, based on traveller reviews, opinions and ratings across a variety of categories and geographical locations.

Wildlife Habitat Manager Clare Anderson said it was an enormous achievement for the Tropical North Queensland attraction to be ranked among major national zoos such as Taronga Zoo, Australia Zoo and Melbourne Zoo.

"It is a huge honour for us to be recognised with this award, especially as we are the highest ranking Tropical North Queensland attraction," she said.

"We have been operating for over 25 years and it is wonderful to see that our visitors are enjoying the Wildlife Habitat as much as ever."

This is the second consecutive year that Wildlife Habitat has won the Travellers' Choice award, having been listed as the #5 best zoo in 2014.

"Winning this award two years in a row shows that we are still Australia's leading immersion wildlife sanctuary, and that we are as committed as ever to providing our visitors with a wonderful wildlife experience," she said.

"Our team works incredibly hard to provide a high standard of customer service and engagement, and exceed the expectations of our visitors, as we continue to maintain our focus on the future development and direction of Wildlife Habitat."

Wildlife Habitat is located in Port Douglas and is Australia's leading wildlife experience, providing visitors with a chance to observe a huge range of flora and fauna up close.

For more information or to arrange an interview, please contact Wildlife Habitat Manager, Clare Anderson, on 4099 3235 or 0408 065 787.
