## WILDLIFE HABITAT CELEBRATES WORLD CASSOWARY DAY WITH BIRTHDAY CELEBRATIONS

Australia's leading wildlife experience, Wildlife Habitat in Port Douglas, will be celebrating World Cassowary Day on Saturday 26<sup>th</sup> September in style, with a 20<sup>th</sup> birthday party for Airlie, their male resident Southern Cassowary.

The birthday celebrations will include a special birthday cake for Airlie and a birthday singalong, with guests invited to take part in the festivities during the 9:30am Rainforest Feeding Tour.

Wildlife Habitat Manager Clare Anderson said that the birthday celebrations for Airlie went hand-in-hand with World Cassowary Day.

"With cassowaries hitting the headlines of late, it's wonderful to be able to create awareness of a positive nature for this iconic species," she said.

"Being able to guarantee sightings of this endangered bird at our park, and impart knowledge to our guests about its conservation, is one of the many benefits in working with such a species."

By celebrating World Cassowary Day, Wildlife Habitat aims to increase awareness and share information about the cassowary's life history, conservation status and pathways to survival.

The Curlew Café at Wildlife Habitat will also have special treats available throughout the day, including Cassowary Fruit Bowls, Cassowary Spiders for children, and Cassowary Cocktails for adults.
