WILDLIFE HABITAT WELCOMES NEW ASSISTANT MANAGER

Australia's leading wildlife experience, Wildlife Habitat in Port Douglas, has welcomed Sybella Salter to the role of Assistant Manager of the park.

A resident of Port Douglas for the last 18 years, Ms Salter is well-known throughout the community as a result of her work in events, tourism, hospitality and the annual Port Douglas Carnivale.

Ms Salter's previous employment includes Salsa Bar & Grill, Managing Australian Destinations and the Australian Muster Experience, giving her the knowledge and experience to move seamlessly into her new role.

"I love wildlife, and our beautiful region, so this position is perfectly suited for me," Ms Salter said.

"I look forward to a long and exciting future with Wildlife Habitat and The CaPTA Group."

Wildlife Habitat General Manager Clare Anderson said it was a coup for Wildlife Habitat to have someone as experienced and skilled as Ms Salter join them.

"Sybella has settled in beautifully already, and is already an integral member of our team," Ms Anderson said.

"She has taken on several projects and events already, and we are excited for what she can bring to the table."
