

## **ABC SALES & MAINTENANCE**

### **\*\*Join the ABC Sales & Maintenance Team as a Diesel Mechanic!\*\***

Are you a skilled Diesel Mechanic with a passion for maintaining and servicing coaches? Are you ready to become a vital part of an experienced and trusted team within the Woodward Family CaPTA Group, a name synonymous with coach ownership and operation since 1981? If you have a keen eye for detail, a commitment to maintaining the highest standards, and a proven track record in diesel mechanics, ABC Sales & Maintenance invites you to join our dynamic team.

#### **About Us:**

VDI Australia Group of Companies have been the sole national distributor for Yutong buses since 2018, specialising in distributing Yutong buses and luxury coaches to a wide range of businesses and industries across Australia. At the forefront of the industries transition to zero emission buses, we are incredibly proud of, and passionate about the extension range of vehicles we offer. Despite rapid growth during this period, we remain an Australian owned and family operated business.

Based at our Hartley Street workshop in Cairns, you will be part of a small team assisting with general servicing and maintenance repairs of the internal vehicle fleet (company coaches and cars) and external customer vehicles.

#### **Position Overview:**

As a Diesel Mechanic at ABC Sales & Maintenance, you will play a pivotal role in ensuring the safe and efficient operation of our coach fleet. Your expertise will contribute to maintaining the high-quality standards that our coaches are known for.

#### **Key Responsibilities:**

- Perform comprehensive maintenance and repairs on diesel engines, transmissions, and coach components.
- Diagnose and troubleshoot mechanical issues and develop effective repair strategies.
- Conduct routine inspections, preventive maintenance, and service according to established schedules.
- Collaborate with the General Manager and other team members to maintain a well-functioning workshop.
- Ensure all maintenance and repairs meet industry safety standards and quality requirements.
- Obtain experience and knowledge, working with the new electric fleet.

**Qualifications and Skills:**

- Proven experience as a Diesel Mechanic, particularly in the maintenance of large vehicles or coaches.
- A valid Diesel Mechanic certification and relevant qualifications.
- Strong diagnostic and problem-solving skills.
- Knowledge of diesel engine systems, transmissions, and coach-specific components.
- A commitment to safety, quality, and attention to detail.
- Effective communication and teamwork skills.
- Willingness to learn and adapt to new technologies and equipment.
- MR (Medium Rigid) Licence or ability to obtain

**How to Apply:**

If you're ready to be a part of a dedicated team in the world of coach maintenance and meet the qualifications above, please submit your application, including a cover letter and resume, to People and Culture team via email at [hr@capta.com.au](mailto:hr@capta.com.au).

Join us at ABC Sales & Maintenance and be a part of the team that keeps the CaPTA Group's coach fleet in top condition. Explore more about our exciting ventures at [abccoachsales.com.au](http://abccoachsales.com.au).

The CaPTA Group of Companies is an Equal Employment Opportunity employer.

**\*\*Become an essential part of our commitment to excellence in coach maintenance!\*\***
