

Trainer & Assessor

Certificate III in Wildlife & Exhibited Animal Care

Are you passionate about wildlife and education? Do you want to inspire the next generation of wildlife keepers? Careers Training Centre, part of the locally owned and operated CaPTA Group of Companies, is looking for a dedicated Trainer & Assessor for the Certificate III in Wildlife and Exhibited Animal Care (ACM30321).

This flexible role can be part-time or full-time, with an opportunity to combine training with hands-on Wildlife Keeper duties.

About the Role:

As a Trainer & Assessor, you will:

- Deliver engaging training and assessment to students in the ACM30321 Certificate III in Wildlife and Exhibited Animal Care.
- Provide hands-on practical demonstrations in a wildlife setting.
- Support students in their learning journey, ensuring they meet industry standards.
- Maintain compliance with RTO requirements and training packages.
- Work collaboratively with our wildlife team to provide real-world experiences.

For those interested in a full-time role, this position can include potentially working as a Wildlife Keeper at Cairns Koalas & Creatures, Rainforestation Nature Park or Wildlife Habitat, providing additional hands-on experience.

About You:

- Hold a Certificate III (or higher) in Wildlife & Exhibited Animal Care or a related field.
- Possess a Certificate IV in Training and Assessment (TAE40122 or equivalent).
- Have industry experience in wildlife care, handling, and exhibit management.
- Passionate about training and mentoring future wildlife keepers.
- Strong communication and organisational skills.
- A commitment to safety, welfare, and conservation.

Why Join Us?

- Work with a locally owned company passionate about wildlife, conservation, and education.
- Help shape the future of wildlife keepers through hands-on training.
- Enjoy a supportive and dynamic team environment.
- Flexible role with the potential to work across education and animal care.

Location: Cairns, QLD

Employment Type: Part-Time or Full-Time (Trainer & Assessor + Wildlife Keeper)

How to Apply:

If you're ready to share your expertise and passion for wildlife, we'd love to hear from you! Send your **resume and a cover letter** outlining your experience and suitability for the role to captav8@capta.com.au
